UAE Pavilion

Moved piece by piece from Shanghai, where it welcomed almost two million visitors to the UAE's national exhibition during the World Expo 2010, this striking dune-shaped structure, designed by London's acclaimed Foster + Partners, now stands close to the Manarat at Saadiyat (Place of Enlightenment) exhibition centre on Saadiyat Island.

A new landmark exhibition and events venue, the pavilion is hosting some of the country's most important cultural functions. A coming together of prominent global collectors, connoisseurs and artists, Abu Dhabi Art (hyperlink to event), was the reassembled pavilion's first exhibition in 2011.
